AIJA Double Winter Seminar: Sector specific M&A on the rise // Surviving after death-how to avoid nightmare estate

Corporate and M&A:

Drawing on the expertise available from M&A and business professionals from industry sectors such as financial services, life science, energy, TMT and more, the seminar shall offer an opportunity to discuss the options for and the characteristics as well as peculiarities of M&A transactions in specific industry sectors, to learn from specialists' experiences and to investigate likely future trends.

Private Clients & Litigation:

The two Commissions have joined forces to offer an interdisciplinary seminar at the interface of estate planning and estate related litigation, including first experiences and impacts of the EU regulation on successions and wills.
